STEP 02: PLAN

06 CREATE your own business building plan by assigning responsibility for your recommendations to your team and actively **tracking** their progress. This will ensure that your team is constantly working **ON** the business and not only **IN** the business, which is crucial for successfully growing a company.

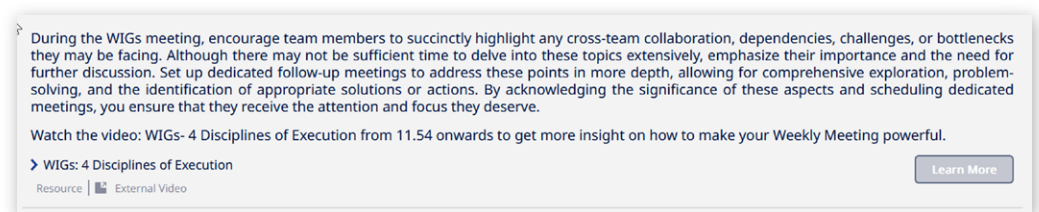

[CLICK HERE](#) for our detailed How-to Guide: NXT-9 Navigator.

STEP 03: IMPLEMENT

07 TAKE IMMEDIATE ACTION by clicking on the **Learn More** buttons after your recommendations. These links will guide you to our Academy, where you'll find just-in-time content and tools designed to help your team implement your business building plan. By leveraging these resources, you'll be able to **swiftly** implement initiatives that will increase your BMIX score and accelerate your business growth.

STEP 04: LEARN

08 CLICK on the **Academy** tab to cultivate a culture of continuous learning for yourself and your team and leverage the articles, nano books, and courses created by the brightest minds in scaling businesses and offered in our Academy.

FREEMIUM PLAN
Access content related to the Execution Discipline

PREMIUM PLAN
Access content related to all 8 Business Disciplines

STEP 05: LEVEL-UP

09 Coming soon, our **NXT-9 B:OSS** feature will empower you and your team to implement and run a business operating system that ensures you execute on your top priority goals consistently and make remarkable progress on your journey to building the business you want.

In the meantime, **HEAD OVER** to the B:OSS toolkit in the Academy and use it to start implementing the two rhythms that are key to Execution greatness; setting 1 to 2 strategic priorities each quarter and then making steady progress; achieving them with weekly sprints.
